Colau brings equality into the debate and clashes with Feijóo and Abascal

EuropaPress | 27/11/2026 | 02:00

Ada Colau, Frente Amplio's candidate in the November 29 election, opened Thursday's four-way debate by asking the candidates to condemn gender-based violence, one day after November 25, an issue that continued to arise throughout her remarks.

Ada Colau, Frente Amplio's candidate in the November 29 election, opened Thursday's four-way debate by asking the candidates to condemn gender-based violence, one day after November 25, an issue that continued to arise throughout her remarks.
